2 x sleeves: 40 (46) 50 (50) 54 (56) 60 stitches

Front piece: 62 (66) 72 (76) 82 (86) 90 stitches

### Divide your stitches into sleeves and body:

\*Knit to SM, remove SM, place the next 40 (46) 50 (50) 54 (56) 60 m on a separate cable, cast on 3 (3) 4 (4) 4 (4) 5 stitches, place SM, cast on 3 (3) 4 (4) 4 (4) 5 stitches, remove SM \*, repeat \*-\* once more, knit to BOR, knit to the next SM.

The body now has 136 (144) 160 (168) 180 (188) 200 stitches.

### Body:

Knit stockinette on the back and the lace pattern on the front until the body measures approx. 15 cm from the armhole (or to 9 cm before your desired length). Try on!

### Short rows on the back:

By using short rows you will knit your sweater a little longer at the back, approx. 4-5 cm longer.

Knit to SM in the middle of the back. Knit 5, W&T, purl back to 5 stitches past the SM, W&T, knit to 5 stitches past the previous W&T, W&T and purl back to 5 stitches past the W&T. Continue in the established pattern moving 5 stitches after each W&T. Knit the W&Ts from previous rounds as knit stitches on the right side and purl stitches on the wrong as you get to them.

Knit lace pattern according to the chart **both on the front and back** the last 8 cm. Bind off with I-cord.

You can also choose to knit the back in stockinette by skipping the final lace pattern on the back. Knit stockinette 5 cm before knitting the short rows, then knit 3 cm rib. Finish off using the Italian bind-off.

### Sleeves:

Transfer the stitches from your separate cable to your needle. Pick up and knit 8 stitches from the armhole = 46 (52) 58 (58) 62 (64) 70 stitches

Knit in stockinette until the sleeve measures 25 cm or to 7 cm before desired length.

Evenly bind off 6 (8) 10 (10) 10 (12) 14 stitches among the 40 (44) 48 (48) 52 (52) 56 stitches on your needle. Knit the lace pattern according to the chart until the sleeve measures 6 cm. Bind off with an I-cord.
